Operation for an Unusual Disease. Special to the Indianapolis Journal.

WABASH, Ind., July 31.-Three surgeons to-day performed an operation on David Flook near Somerset, Wabash county, in the faint hope of saving his life. Last May he ran a tack in his toe, and the injury disease failed, and at last it attacked the ones of the leg, ascending until it reached the knee. The bone became very brittle, breaking easily, and Mr. Flook was com-pelled to keep to his bed. When symptoms of the presence of the malady appeared in the other limb the physicians held a consultation and resolved to amputate the diseased leg above the knee, which was done to-day. Though very weak, Mr. Flook stood the operation very well.

DIRT CLEARANCE.

T is a good plan for every bather to know something of the soap he uses. There is a well-founded objection to using a floor-cleaning soap upon the human body. Ivory Soap

is the bather's soap. It costs more than common soaps, but the difference is in the ingredients and making. Why not treat yourself with a little respect. Is not the human skin with its marvellous delicacy entitled to pure soap? Ivory Soap—it floats.
